

Tender 2661

Tender 2661 is a 2000 Peterbilt tanker truck and was built by US Tanker Fire Apparatus in Delavan, WI. It carries two firefighters, has an 3,000 gallon water tank and can pump 1,250 gallons per minute. It also carries a 2,500 gallon portable water tank and has a rapid dump valve on the rear of the tank for water shuttle operations. Tender 2661 has responded to incidents of national significance including deployment to Louisiana for Hurricanes Gustav and Ike in 2008.
